July Quarterly Report (4/1/21-6/30/21)

Dear Mr. Dobi:

This letter is in response to your request for additional information, received by the Committee on March 22, 2022.

2020 YEAR END REPORT:

Your letter indicates that the Committee disclosed two contribution refunds that did not match with contributions previously disclosed:

- 1.Jerome Keller: Committee records show that this individual exceeded his contribution limit to the 2020 General after giving multiple contribution thru WinRed earmarks. The refund issued on 11/24/20 for \$7448 brought the donor's 2020 General aggregate to the \$2800 limit.
- 2.Jaon Marshall: This donor made four separate contributions, each for \$1000, disclosed on the Pre-General and Post-General Reports. The refund of \$1200, issued 11/24/20, brought the donor's aggregate to the \$2800 limit.

2021 JULY QUARTERLY REPORT:

Your letter indicates that the Committee did not include the memo entry of the original contribution when disclosing reattributions and redesignations. In reviewing the referenced report, with the exception of one redesignation, every other adjusting entry was made to a contribution received in the same time period that the report covers (4/1/21-6/30/21). Each redesignation appeared directly beneath the original contribution entry.

A redesignation to the 2026 General for donor Joseph Otting was disclosed on 4/1/21 for a contribution originally disclosed on 2/11/21 in the amount of \$2800, designated for the 2026 Primary. We are working with the software company to resolve the disclosure issue related to this one redesignation. Please accept this letter as a miscellaneous submission to accurately reflect this redesignation.

Sincerely,
Lisa Lisker
Assistant Treasurer
